SUMMARY OF NSS FORMATION, OBJECTIVES AND OUTLINE OF ACTIVITIES CONDUCTED

AND COLLABORATING ORGANISATIONS

NSS Unit, Chandernagore College (affiliated to The University of Burdwan) was operational till 2007_2008 (last audited report of 2007_08 is attached herewith). Due to some unavoidable circumstances the NSS Unit of the College remained in moribund state for few years. As per the unanimous decision of the Teacher's Council of Chandernagore College, a request letter was sent to The University of Burdwan for the approval of one NSS Unit to the College (vide Memo No.147 dated 3/07/2019) with a copy to State NSS Officer, Department of Higher Education, Govt. of West Bengal, Bikash Bhawan, Saltlake, Kolkata- 700091.

The request was positively responded and One NSS Unit was sanctioned to Chandernagore College with effect from financial year 2019 (Vide Memo No. BU/NSS/New Unit/19-20/106 dated 11/07/2019). On receipt of the sanction letter, Teacher's Council meeting of Chandernagore College held on 17.07.2019 resolved the constitution of NSS Teacher's committee (with 7 faculty members) and one faculty member as Programme Officer of the Unit. The acknowledgement letter with details of Programme Officer was sent to the University (vide Memo No. 409 dated 17/07/2019).

TYPES AND CATEGORY OF ACTIVITIES CONDUCTED DURING LAST FIVE YEARS

The number of activities conducted in the Session 2019_20 is 9, Session 2020_21 is 4, Session 2021_22 is 18 and Session 2022_23 is 66. During the first three session of NSS activity (namely 2019 -20, 2020- 2021 and 2021- 2022), after the resumption of NSS Unit of Chandernagore College, volunteer capacity building events were focussed as without appropriate orientation of volunteers Outreach activities could not have been properly executed. There is certain skewness in the graph for the session 2022_23 with respect to Outreach activities being conducted by the unit in the session 2022- 2023, which is mainly due to successful collaborations, appropriate primming of volunteers, rejuvenation of academic and cocurricular activities in post-pandemic period and also flow of fund from the University authorities, hence considering these rationalisation principles, there is more or less gradual rise in the trendline.

The objectives of NSS Unit are operationalised through **REGULAR AND SPECIAL CAMP ACTIVITIES** being conducted in the planned sequential way throughout the year.

This session has seen the worldwide uproar of pandemic, and nationwide lockdown with absolute restriction of movement and being homebound, physical involvement of volunteers in Community Outreach programmes was to some extent difficult. Social media platforms have emerged successfully to create a possible positive vibe there by urging local community as well as global community to stay fit and win the war. To propagate this mission of physical well- being, online videos were created by the volunteers collated with a definite aim and floated on the college website as well as shared in various platforms.
